++ Valid for broadcast between 1800 and 0600

Headline:
Sunshine and showers for most on Tuesday, cloudier far northwest.

This Evening and Tonight:
It will be a cloudy, misty night. Showery outbreaks of rain will continue, particularly across Wester Ross and Skye where they may be heavy at times. South and east of the Great Glen will turn dry in the early hours. Minimum temperature 13 deg C (55 deg F).

Tuesday:
A cloudy start across the northwest and the Western Isles with patchy rain. This mostly dies out through the morning with sunny spells inland leading to some heavy showers. Maximum temperature 21 deg C (70 deg F).

Outlook for Wednesday to Friday:
Bright spells and a few showers on Wednesday. Ridge of high pressure will bring mostly dry conditions on Thursday and Friday with sunny spells and just a few light showers.
